Professional Summary

With **almost 5 years of experience as a full-stack Shopify developer and Software Developer**, I specialize in building high-performing, user-centric eCommerce solutions. My deep knowledge of Shopify's ecosystem— **public apps, custom apps, Liquid template language, theme customization, Polaris, storefront APIs, GraphQL APIs, Node.js, MongoDB, SQL, Next.js, and React.js** —allows me to deliver scalable, optimized code tailored to business needs. I'm passionate about creating seamless shopping experiences that boost conversion rates and align with brand goals.
